MELBOURNE AIRPORT

Melbourne Airport is a major driver of Victoria's economy

$22 billion in GVA (direct and indirect)

Supports nearly **1% of Australia's GDP**

A single daily international flight generates **$190m GVA and supports 2,000 jobs (p.a.)**

23,000 FTE jobs across the airport precinct

Unlocking growth with the new third runway

Enable **76 million** passengers to use the airport every year by 2042

Support **37,000 additional jobs** in Victoria by 2046

Contribute an additional **$5.9 billion to the state economy** each year

136,500 additional arrivals and departures each year
